

### Highlights

**CEMS `3<sup>RD</sup> Meditex Bangladesh 2010 International Expo` & `2<sup>nd</sup> Pharma Bangladesh 2010 Expo` – the leading Exhibitions for the Medical, Healthcare & Pharmaceutical sector**

With a necessity for the Medical & Hospital Sector to upgrade themselves with the latest equipment, instruments & devices, CEMS-Global USA in association with CEMS Bangladesh organized the “**3<sup>rd</sup> Meditex Bangladesh 2010 International Expo**” – An International Exhibition on Medical Equipments, Surgical Instruments, Healthcare, Hospital Equipments & Supplies from May 5 ~ 8, 2010 at Bangabandhu International Conference Centre, Dhaka – Bangladesh.

Concurrent exhibition was the `2<sup>nd</sup> Pharma Bangladesh 2010 International Expo` - An International Exhibition on Machinery, Equipments, Materials & Services for the Pharmaceutical Sector of Bangladesh.

Healthcare sector including Medical professionals, Doctors, Surgeons who can see the latest equipment, devices & instruments that are emerging in the world market on display right here in Bangladesh. The event was not only an exhibition but also a complete resource tool for the entire Medical and Healthcare Industry of Bangladesh.

CEMS-Global's main objective to hold the above shows is to bring global equipment, devices & machinery manufacturers in closer contact with Bangladesh. Participating companies will be presenting world-class showcase of leading technology, innovations and initiatives in medical, hospital and pharmaceutical equipment and supplies. Organizations who were devoted to providing good healthcare facilities in our country would be able to source their needs at this exhibition and at the same time keep themselves updated on the latest products and services available globally.

3<sup>rd</sup> Meditex Bangladesh 2010 International Expo along with `2<sup>nd</sup> Pharma Bangladesh 2010 Expo`, with its international participation of companies from China, India, Taiwan, USA, Pakistan, Singapore and also showcasing world famous equipments & technology, will accomplish its objective of bringing world class Medical, Surgical, Pharmaceutical & Hospital Equipment manufacturers and suppliers to Bangladesh who have showcased the latest equipment, devices & instruments for the entire Medical & Pharmaceutical sector of Bangladesh in the Exhibition.

Special emphasis has also been given to the Healthcare sector where CEMS has extended full support to the local Healthcare Industry, which has expanded over these years with new hospitals and world standard facilities available at the doorstep of the Bangladeshi people, who now do not have to go abroad for their treatments and check-ups in which Bangladesh also loses foreign exchange. Bangladeshi Hospitals have seen a drastic improvement in their Healthcare facilities and standards in recent years to cater to the people of the country.

For this reason, Navana Furniture Ltd. and Biponon Ltd. were the Co-Partners of the Expo showcasing their latest Hospital equipment / furniture.

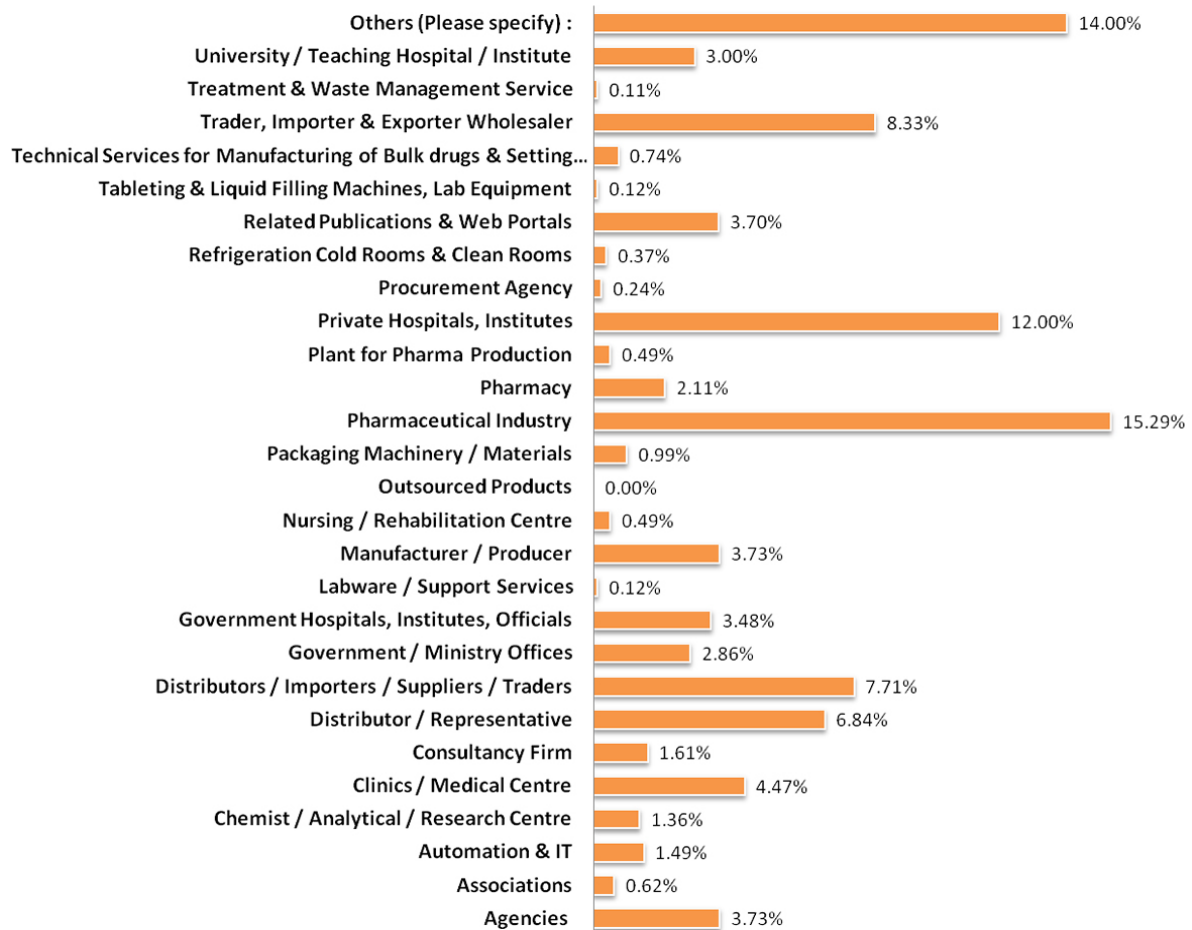

CEMS Bangladesh has organized this mega exhibition for the Medical, Hospital & Healthcare Industry of Bangladesh in association with CEMS USA (the parent company of CEMS Bangladesh). Daily Shamakal, Daily New Age, Radio Aamar were media partners and www.doctorsbd.com was the web partner of the '3<sup>rd</sup> Meditex Bangladesh 2010 Expo'.
